Hotels in Europe

We have taken utmost care to select the locations of hotels, keeping in mind your comfort and the fact that you will be out sightseeing most of the time. Depending on the city and the day to day itinerary, your hotel may be confirmed either in the city center or away from the city center or in the surrounding areas. Due to favourable weather conditions, most hotels do not have air conditioners or fans. All other modern amenities, such as attached toilets with showers / bath tubs, hot and cold running water and telephone facility are provided in each room. All hotel rooms are twin bedded and in keeping with European standards, are comparatively small. We recommend a maximum of three people in a room. For the third adult person, the bed is a rollaway cot, put in a twin room for the night.

Experienced Tour Managers

Our tour manager is your friend, philosopher and guide on your holiday. Professionally trained to enhance your holiday experience while taking care of you, our tour manager is your host and will travel along with you for your entire trip. He will assist you right from choosing the best shopping areas and getting great bargains to selecting amazing eateries. Also in addition to our tour managers, in certain cities we have expert local guides to give you a greater essence of the city.

Coaches

Our air-conditioned coaches (air-cooled in London) offer you complete comfort as you sit back and enjoy the sights. Our trained and qualified drivers take pride in their vehicles and in the safety and comfort of our travelers. Some traveling distances are comparatively long and thus we provide frequent comfort stops where you can use the rest room facilities and grab a quick bite. All our coaches are non-smoking.
